Mikuni Life & Auto Official Website: <https://www.mikuni-la.co.jp/>

Mikuni Life & Auto is committed to the realization of "freedom of mobility" for all people through the provision of welfare equipment, health equipment, portable humidifiers, driving assistance devices, wheelchair lifts, and rental cars with driving assistance devices.

Since 2017, Mikuni Life & Auto's AP Drive, a driving assistance device, and various other driving assistance products have been chosen by Mazda Motor Corporation for their welfare vehicles. Going forward, Mikuni will continue to deepen its co-creation activities with Mazda Motor Corporation and actively support customers with lower limb disabilities when they purchase Mazda vehicles.
